

June 10, 2019

Dear Members of Congress,

We oppose any carbon tax. A carbon tax raises the cost of heating your home in the winter and cooling your home in the summer. It raises the cost of filling your car. A carbon tax increases the cost of everything Americans buy and lowers Americans' effective take home pay. A carbon tax increases the power, cost and intrusiveness of the government in our lives.

Sincerely,

Grover Norquist
President, Americans for Tax Reform

James L. Martin, Founder/Chairman
Saulius "Saul" Anuzis, President
60 Plus Association
