Mr. Christopher C. Horner  
Competitive Enterprise Institute  
1899 L Street, NW, 12th Floor  
Washington DC, 20036

Dear Mr. Horner:

I refer to our letter dated October 5, 2015, regarding the release of certain Department of State material under the Freedom of Information Act (the “FOIA”), 5 U.S.C. § 552.

The search of the records of the Bureau of Diplomatic Security has been completed and resulted in the retrieval of six documents responsive to your request. After reviewing these documents, we have determined that one may be released in full, three may be released in part, and two must be withheld in full. For the two documents withheld in full, one was withheld under FOIA Exemptions 1, 5, 6, and 7(C), 5 U.S.C. §§ 552(b)(1), (b)(5), (b)(6), and (b)(7)(C); and one was withheld under FOIA Exemptions 1 and 5, 5 U.S.C. §§ 552(b)(1) and (b)(5).

The search of the records of the Office of the Executive Secretariat has been completed and resulted in the retrieval of three documents responsive to your request. After reviewing these documents, we have determined that all three may be released in full.

An enclosure explains the FOIA exemptions and other grounds for withholding material. Where we have made excisions, the applicable exemptions are marked on each document. All non-exempt material that is reasonably segregable from the exempt material has been released. All released material is enclosed.
We will keep you informed as your case progresses. If you have any questions about this production, your attorney may contact James Todd, Senior Trial Attorney, at (202) 514-3378 or James.Todd@usdoj.gov. Please refer to the case number, F-2015-05781, and the civil action number, 15-cv-00553, in all correspondence about this case.

Sincerely,

[Signature]

John F. Hackett, Director
Office of Information Programs and Services

Joanne and Nora:

As part of our computer security, S/ES-IRM provides a 20 minute briefing whenever laptops, thumb drives, air cards, or Blackberries are issued. Also, prior to the issuance of OpenNet logons, a cyber security on-line exam has been mandated by Diplomatic Security.

We would be pleased to brief Ms. Mills at her convenience – whatever will work for her, and can answer any questions you or she might have with respect to the cyber security exam.

Please let me how we can be of assistance.

Thanks,
John

POEMS SECURITY ALERT

2010-002; 20 October 2010
National Cyber Security Awareness Month

President Obama proclaimed October 2010 as the 7th annual National CyberSecurity Awareness Month. This national public awareness campaign encourages individuals to protect their computers and our nation’s critical cyber infrastructure.

To help users fulfill the federally mandated annual cyber security awareness training requirement, the Department’s Bureau of Diplomatic Security created a short and effective on-line course which includes mandatory practices and policies which promote good cybersecurity habits.
