

**Table: Right to Repair Legislation**

State	Title	Bill No.	Applicability
Alabama	Digital Fair Repair Act	<a href="#">H.B. 93</a> (2020)	“DIGITAL ELECTRONIC EQUIPMENT. Any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”  Excludes motor vehicles.
Alaska	NONE		
Arizona	NONE		
Arkansas	Farmers Right to Repair Act	<a href="#">S.B. 461</a> (2021)	“‘Farm equipment’ means a product or part, including farm implements, machinery, utility and industrial equipment, lawn and garden outdoor powered machinery and equipment, or attachments, that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product or part.”  Excludes motor vehicles.
	Digital Fair Repair Act*	<a href="#">ISP 2019-017</a> (2019)	“‘Digital electronic equipment’ means a product or part that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”  Excludes motor vehicles.  *Not introduced.
California	Consumer Wheelchair Right to Repair Act	<a href="#">S.B. 271</a> (2023)	“‘Equipment’ means a powered wheelchair.”
	Right to Repair Act	<a href="#">S.B. 244</a> (2023)	“‘Electronic or appliance product’ or ‘product’ means a product described in subdivision (h), (i), (j), or (k) of Section 9801 of the Business and Professions Code, and includes those products that are sold to schools, businesses, local governments, or in other methods outside of direct retail sale.”
	Medical Device Right to Repair Act	<a href="#">S.B. 605</a> (2021)	“‘Powered medical equipment’ or ‘equipment’ means any powered device approved by the United States Food and Drug Administration that is used in the treatment, monitoring, or diagnosis of a patient, and including includes assistive, adaptive, and rehabilitative devices.”
	Right to Repair Act	<a href="#">A.B. 2110</a> (2018)	“‘Equipment’ means electronic equipment, or a part of electronic equipment, originally manufactured for distribution and sale in the United States.”  Excludes motor vehicles; medical devices; and digital electronic products manufactured exclusively for use in a health care setting.
Colorado	Consumer Repair Bill or Rights	<a href="#">H.B. 23-1011</a> (2023)	“‘Agricultural equipment’ includes: (I) A tractor, trailer, combine, sprayer, tillage implement, baler, and other equipment used to plant, cultivate, irrigate, or harvest agricultural products or to ranch; and (II) Attachments to and repair parts for equipment described in subsection (1)(b)(I) of this section.”  Excludes “self-propelled vehicle designed primarily for the transportation of individuals of property on a street or highway.”
	Consumer Wheelchair Repair Bill of Rights Act	<a href="#">H.B. 22-1031</a> (2022)	“‘Equipment’ means a powered wheelchair.”  Signed into law on June 2, 2022.

	Consumer Digital Repair Bill of Rights Act	<a href="#">H.B. 21-1199</a> (2021)	<p>“Digital Electronic Equipment’ means a product that, for its functionality, depends in whole or in part on digital electronics embedded in, or attached to, the product.”</p> <p>Excludes motor vehicles, powersports vehicles, and medical devices (powered wheelchairs not excluded).</p>
	Consumer Digital Repair Bill of Rights Act	<a href="#">H.B. 20-1195</a> (2020)	<p>“Digital Electronic Equipment’ means a product sold in the state that, for its functionality, depends in whole or in part on digital electronics embedded in, or attached to, the product.”</p>
Connecticut	The Fair Right to Repair Act	<a href="#">S.B. 121</a> (2022)	<p>“Digital electronic equipment’ means any product that, in whole or in part, requires digital electronics that are embedded in, or attached to, such product in order for such product to fully function.”</p> <p>Excludes motor vehicles.</p>
	An Act Requiring Electronic Device Manufacturers to Make Available Essential Components of its Electronic Devices to Owners and Independent Repair Service Providers	<a href="#">H.B. 5255</a> (2021) <a href="#">H.B. 5826</a> (2021)	<p>“That the general statutes be amended to require that electronic device manufacturers make available, on reasonable terms, the documentation, parts and tools needed to diagnose, maintain and repair such manufacturers’ electronic devices to owners of such electronic devices and independent repair service providers of such electronic devices.”</p>
Delaware	Delaware Digital Right to Repair Act	<a href="#">H.B. 41</a> (2023)	<p>“Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”</p> <p>Excludes farming equipment, heavy machinery, recreational vehicles, generator sets, and power tools.</p>
	Digital Right to Repair Act	<a href="#">H.B. 22</a> (2020)	<p>“Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”</p> <p>Excludes motor vehicles.</p>
Florida	Agricultural Equipment Fair Repair Act	<a href="#">S.B. 422</a> (2023)	<p>“Equipment’ means digital electronic equipment, or a part for such equipment, which is originally manufactured for farm equipment, including combines, tractors, implements, self propelled equipment, and related attachments and implements, and which is manufactured for distribution and sale in this state.”</p> <p>Excludes motor vehicles.</p>
		<a href="#">H.B. 533</a> (2023)	
	Agricultural Equipment Fair Repair Act	<a href="#">H.B. 1535</a> (2022)	<p>“Equipment’ means digital electronic equipment, or a part for such equipment, which is originally manufactured for farm equipment, including combines, tractors, implements, self-propelled equipment, and related attachments and implements, and which is manufactured for distribution and sale in this state.”</p> <p>Excludes motor vehicles.</p>
		<a href="#">S.B. 1320</a> (2021)	
	Agricultural Equipment Fair Repair Act	<a href="#">H.B. 511</a> (2021)	<p>“Equipment’ means digital electronic equipment, or a part for such equipment, which is originally manufactured for farm equipment, including combines, tractors, implements, self-propelled equipment, and related attachments and implements, and that is manufactured for distribution and sale in this state.”</p> <p>Excludes motor vehicles.</p>
		<a href="#">S.B. 374</a> (2020)	

Georgia	Digital Right to Repair Act	<a href="#">H.B. 1663</a> (2022)	<p>“‘Digital electronic equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”</p> <p>Excludes motor vehicles.</p>
	Right to Repair Act	<a href="#">H.B. 1176</a> (2022)	<p>“‘Digital electronic equipment’ means any product that depends, in whole or in part, on digital electronics embedded in or attached to the product for its functioning.”</p> <p>Excludes motor vehicles.</p>
	Right to Repair Act	<a href="#">H.B. 286</a> (2019)	<p>“‘Digital electronic equipment’ means any product that depends, in whole or in part, on digital electronics embedded in or attached to the product for its functioning.”</p> <p>Excludes motor vehicles.</p>
Hawaii	Digital Right to Repair Act	<a href="#">H.B. 1287</a> (2023)	<p>“‘Digital electronic equipment’ or ‘equipment’ means any product that is used or sold in the State and the functioning for which it depends, in whole or in part, on digital electronics embedded in, or attached to, the product.”</p> <p>Excludes motor vehicles.</p>
	Act Relating to Right to Repair	<a href="#">H.B. 53</a> (2023)	<p>“‘Digital electronic equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”</p> <p>Excludes motor vehicles.</p>
	Act Relating to the Model State Right-to-Repair Law	<a href="#">H.B. 645</a> (2023)	<p>“‘Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, upon digital electronics embedded in or attached to the product.”</p>
		<a href="#">S.B. 1105</a> (2023)	<p>Excludes motor vehicles, off-road equipment, recreational vehicles, motorcycles, heavy construction equipment, and medical equipment valued at \$100,000.</p>
	Medical Device Right to Repair Act	<a href="#">S.B. 1172</a> (2023)	<p>“‘Powered medical equipment’ or ‘equipment’ means any powered instrument, apparatus, implement, machine, contrivance, implant, or other article, including a component part or accessory thereof, that is used in the treatment, monitoring, or diagnosis of a medical patient.”</p>
	Act Relating to the Model State Right-to-Repair Law	<a href="#">H.B. 2369</a> (2022)	<p>“‘Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, upon digital electronics embedded in or attached to the product.”</p>
		<a href="#">S.B. 2330</a> (2022)	<p>Excludes motor vehicles.</p>
	Act Relating to the Model State Right-to-Repair Law	<a href="#">S.B. 2690</a> (2022)	<p>“‘Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, upon digital electronics embedded in or attached to the product.”</p> <p>Excludes motor vehicles.</p>
	Act Relating to Right to Repair	<a href="#">H.B. 1405</a> (2022)	<p>“‘Digital electronic equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”</p> <p>Excludes motor vehicles.</p>
Act Relating to the Model	<a href="#">S.B. 564</a> (2021)	<p>“‘Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, upon digital electronics embedded in or attached to the product.”</p> <p>Excludes motor vehicles.</p>	

	State Right-to-Repair Law		
	Mobile Device Right to Repair Act	<a href="#">H.B. 415</a> (2021)	“‘Electronics-enabled mobile equipment’ or ‘equipment’ means any portable product designed for individual use that can connect to the internet and depends for its functioning, in whole or in part, on embedded or attached digital electronics. ‘Electronics-enabled mobile equipment’ includes, but is not limited to, cell phones, tablets, laptop computers, and watches, but does not include products having internal combustion engines, motor vehicles, or products not offered for consumer retail sale.”
	Medical Device Right to Repair Act	<a href="#">S.B. 760</a> (2021)	“‘Powered medical equipment’ or ‘equipment’ means any powered instrument, apparatus, implement, machine, contrivance, implant, or other article, including a component part or accessory, that is used in the treatment, monitoring, or diagnosis of a patient.”
	Fair Digital Electronic Equipment Repair Act	<a href="#">H.B. 226</a> (2021)	“‘Equipment’ means a digital electronic device, or a part thereof, that is originally manufactured for distribution or sale in the United States.”  Excludes motor vehicles; excludes medical devices in so far as complying with the act conflicts with the Federal Food, Drug, and Cosmetic Act.
	Act Relating to the Model State Right-to-Repair Law	<a href="#">S.B. 2496</a> (2020)	“‘Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, upon digital electronics embedded in or attached to the product.”
		<a href="#">H.B. 1884</a> (2020)	Excludes motor vehicles.
	Act Relating to Fair Digital Electronic Equipment Repair	<a href="#">S.B. 425</a> (2019)	“‘Equipment’ means a digital electronic device, or a part thereof, that is originally manufactured for distribution or sale in the United States.”  Excludes motor vehicles. Excludes medical devices in so far as complying with the act conflicts with the Federal Food, Drug, and Cosmetic Act.
	Fair Digital Electronic Equipment Repair Act	<a href="#">S.B. 89</a> (2019)	“‘Equipment’ means a digital electronic device, or a part thereof, that is originally manufactured for distribution or sale in the United States.”  Excludes motor vehicles. Excludes medical devices in so far as complying with the act conflicts with the Federal Food, Drug, and Cosmetic Act
	Act Relating to Digital Electronic Equipment Repairs	<a href="#">H.B. 1649</a> (2018)	“‘Equipment’ means a digital electronic device, or a part thereof, that is originally manufactured for distribution or sale in the United States.”  Excludes motor vehicles. Excludes medical devices in so far as complying with the act conflicts with the Federal Food, Drug, and Cosmetic Act
Idaho	Right to Repair Act	<a href="#">H.B. 452</a> (2020)	“‘Digital electronic equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”  Excludes motor vehicles.
	An Act Relating to the Right to Repair	<a href="#">S.B. 1300</a> (2020)	Specifically includes (1) personal electronics, (2) home appliances, (3) electronic entertainment products, (4) farm equipment, (5) motorcycles and mopeds, (6) all-terrain vehicles, and (6) recreational vehicles.  Exception for motor vehicles.
Illinois	Digital Right to Repair Act	<a href="#">S.B. 715</a> (2021)	“‘Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”  Excludes motor vehicles.

	Digital Fair Repair Act	<a href="#">H.B. 3061</a> (2021)	<p>“Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”</p> <p>Excludes motor vehicles.</p>
	Digital Fair Repair Act	<a href="#">S.B. 2088</a> (2019)	<p>“Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”</p> <p>Excludes motor vehicles.</p>
	Digital Fair Repair Act	<a href="#">H.B. 2026</a> (2019)	<p>“Digital electronic equipment’ or ‘equipment’ means a part or equipment originally manufactured for distribution and sale in the United States.”</p> <p>Excludes motor vehicles, motorcycles, and recreational off-highway vehicles.</p>
	Digital Fair Repair Act	<a href="#">H.B. 4747</a> (2018)	<p>“Digital electronic equipment’ or ‘equipment’ means a part or equipment originally manufactured for distribution and sale in the United States.”</p> <p>Excludes motor vehicles.</p>
	Vehicle Repair Fairness Act	<a href="#">H.B. 3466</a> (2017)	Excludes “motorcycle[s]” and “recreational vehicle[s] or manufactured home equipped for Habitation.”
	Digital Fair Repair Act	<a href="#">H.B. 3030</a> (2017)	<p>“Digital electronic equipment’ or ‘equipment’ means a part or equipment originally manufactured for distribution and sale in the United States.”</p> <p>Excludes motor vehicles.</p>
Indiana	Right to Repair Act	<a href="#">H.B. 1413</a> (2019)	<p>“As used in this chapter, ‘consumer electronic device’ means a product or component of a product that: (1) contains a microprocessor; and (2) is manufactured for distribution and sale in the United States.”</p> <p>Excludes motor vehicles; and medical devices.</p> <p>Highly modified version of model legislation.</p>
Iowa	Act Relating to the Availability of Diagnostic and Repair Information, Diagnostic Repair Tools, and Service Parts Provided by Manufacturers of Digital Electronic Products	<a href="#">S.F. 2028</a> (2018)  <a href="#">H.F. 556</a> (2017)	<p>“Digital electronic product’ means a part or product containing a microprocessor originally manufactured for distribution and sale in the United States.”</p>
Kansas	Agricultural Equipment Right-to-Repair Act	<a href="#">H.B. 2309</a> (2021)	<p>“Electronics-enabled agricultural equipment’ or ‘equipment’ means any product, part of a product or attachment to a product, when sold or leased for use in farming, ranching or other forms of agriculture that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to it. ‘Electronics-enabled agricultural equipment’ or ‘equipment’ includes, but is not limited to, a tractor, trailer, combine, tillage, planting, irrigation or cultivating implement, baler, unmanned aircraft system or off-road vehicle.”</p> <p>Excludes motor vehicles.</p>
	Fair Repair Act	<a href="#">H.B. 2122</a> (2017)	<p>“Digital electronic product’ means equipment containing an integrated circuit, or a part for such equipment, manufactured for distribution and sale in the United States, and installed in a farm tractor, farm trailer or implement of husbandry as those terms are defined in K.S.A. 8-126, and amendments thereto.”</p> <p>Excludes motor vehicles.</p>

Kentucky	Act Relating to a Consumer's Right to Repair	<a href="#">H.B. 766</a> (2022)	“‘Consumer goods’ means goods used for personal, family, or household purposes.”
Louisiana	An Act Relative to the Right to Repair Farm Equipment	<a href="#">S.B. 178</a> (2019)	“‘Farm equipment’ means equipment, other than a motor vehicle, that is used or intended for use in a farm or ranch operation, including any combine, tractor, implement, engine, motor, or attachment.”  Excludes motor vehicles.  Highly modified version of model legislation.
Maine	An Act to Ensure a Consumer's Right to Repair Certain Electronic Products	<a href="#">S.P. 679</a> (2020)	“‘Digital electronic equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product but does not include a motor vehicle, as defined in Title 29-A, section 101, subsection 42, or any part of a motor vehicle.”  Excludes motor vehicles.
Maryland	An Act Concerning Consumer Protection – Consumer Electronic Equipment – Right to Repair	<a href="#">S.B. 631</a> (2022)	“‘Consumer electronic equipment’ means digital electronic equipment that is: (I) Tangible personal property that is distributed in commerce; and (II) Normally used for personal, family, or household purposes.”  “‘Consumer electronic equipment’ includes: (I) Laptops, cell phones, smart watches, and tablets; (II) washing machines, dryers, dishwashers, refrigerators, toasters, mixers, and other kitchen appliances; and (III) televisions, stereo equipment, and other home entertainment equipment.”  “‘Digital electronic equipment’ means a product that depends for its functioning, wholly or partly, on digital electronics embedded in or attached to the product.”  Excludes motor vehicles and farm equipment.
	Act Concerning Consumer Protection – Right to Repair – Farm Equipment	<a href="#">H.B. 562</a> (2022)	“‘Farm equipment’ means equipment that is used or intended for use in a farm operation.”  “‘Farming equipment’ includes any combine, tractor, implement, engine, motor, or attachment.”  Excludes vehicles defined under § 11-176 of Transportation Article.
	Act Concerning Consumer Protection – Right to Repair	<a href="#">S.B. 412</a> (2021)	“‘Digital electronic equipment’ means a product that depends for its functioning, wholly or partly, on digital electronics embedded in or attached to the property.”  Excludes motor vehicles.
		<a href="#">H.B. 84</a> (2021)	
	Act Concerning Consumer Protection – Right to Repair	<a href="#">S.B. 723</a> (2020)	“‘Digital electronic equipment’ means a product that depends for its functioning, wholly or partly, on digital electronics embedded in or attached to the product.”  Excludes motor vehicles.
<a href="#">H.B. 1124</a> (2020)			
Act Concerning Consumer Protection - Right to Repair	<a href="#">H.B. 799</a> (2020)	“‘Farm equipment’ means equipment that is used or intended for use in a farm operation.”  “‘Farming equipment’ includes any combine, tractor, implement, engine, motor, or attachment.”	

	Farm Equipment		Excludes vehicles defined under § 11-176 of Transportation Article.
Massachusetts	An Act Relative to Digital Right to Repair	<a href="#">H. 3826</a> (2023)	“‘Portable Wireless Device’ means a product which includes a battery, microphone, speaker and display designed to send and receive transmissions through a cellular radiotelephone service.”
		<a href="#">S. 793</a> (2023)	Excludes devices approved by the U.S. Food and Drug Administration.
	An Act Relative to Digital Right to Repair	<a href="#">S. 166</a> (2021)	“‘Digital electronic product’, a part or machine containing a microprocessor originally manufactured for distribution and sale in the United States.”
		<a href="#">H. 341</a> (2021)	Excludes motor vehicles and devices approved by the U.S. Food and Drug Administration.
	An Act Relative to the Digital Right to Repair	<a href="#">S. 107</a> (2019)	“‘Digital electronic product’, a part or machine containing a microprocessor originally manufactured for distribution and sale in the United States.”
		<a href="#">H. 218</a> (2019)	Excludes motor vehicles and devices approved by the U.S. Food and Drug Administration.
An Act Relative to the Digital Right to Repair	<a href="#">S. 96</a> (2017)	“‘Digital electronic product’, a part or machine containing a microprocessor originally manufactured for distribution and sale in the United States; provided, however, that digital electronic product shall not include a class III medical device as established by 21 U.S.C. § 360c.”	
	<a href="#">H. 143</a> (2017)	Excludes motor vehicles and Class III medical devices.	
An Act Relative to the Digital Right to Repair	<a href="#">H. 3383</a> (2015)	“‘Digital electronic product’, a part or machine containing a microprocessor originally manufactured for distribution and sale in the United States.”	
Michigan	Digital Electronic Equipment Repair Act	<a href="#">H.B. 5985</a> (2022)	“‘Digital electronic equipment’ means any product that depends, for its functioning, in whole or in part, on digital electronics embedded in or attached to the product. Digital electronic equipment includes agricultural equipment that depends, for its function, in whole or in part, on digital electronics embedded in or attached to the equipment.”  Excludes motor vehicles.
	Agricultural Equipment Repair Act	<a href="#">H.B. 5563</a> (2021)	“‘Electronics-enabled agricultural equipment’ means any product, part of a product, or attachment to a product, when sold or leased for use in farming, ranching, or other agriculture, that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product. The term includes, but is not limited to, a tractor, trailer, combine, tillage, planting, irrigation, or cultivating implement, baler, unmanned aircraft system, or off-road vehicle.”  Excludes motor vehicles and “consumer electronic devices, including wireless communication devices and computers.”
Minnesota	Digital Fair Repair Act	<a href="#">H.F. 1337</a> (2023)	“‘Digital electronic equipment’ or ‘equipment’ means any product that depends, in whole or in part, on digital electronics embedded in or attached to the product in order for the product to function.”  Excludes motor vehicles and medical devices.
	Digital Fair Repair Act	<a href="#">S.F. 2080</a> (2021)	

		<a href="#">H.F. 1156</a> (2021)	<p>“Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”</p> <p>Excludes motor vehicles and medical devices.</p>
	Digital Fair Repair Act	<a href="#">H.F. 1138</a> (2019)  <a href="#">S.F. 1077</a> (2019)	<p>“Digital electronic equipment’ or ‘equipment’ means any product that depends for its functioning, in whole or in part, on digital electronics embedded in or attached to the product.”</p> <p>Excludes motor vehicles and medical equipment.</p>
	Fair Repair Requirements for Digital Electronic Products	<a href="#">H.F. 2299</a> (2019)  <a href="#">S.F. 64</a> (2019)	<p>“Digital electronic product’ means a part or machine containing a microprocessor originally manufactured for distribution and sale in the United States.”</p>
	A Bill for an Act Relating to Commerce; Establishing Fair Repair Requirements for Manufacturers of Digital Electronic Products	<a href="#">S.F. 15</a> (2017)  <a href="#">H.F. 287</a> (2017)	<p>“Digital electronic product’ means a part or machine containing a microprocessor originally manufactured for distribution and sale in the United States.”</p>
	An Act Relating to Commerce; Establishing Fair Repair Requirements for Manufacturers of Digital Electronic Products	<a href="#">S.F. 873</a> (2015)  <a href="#">H.F. 1048</a> (2015)	<p>“Digital electronic product’ means a part or machine containing a microprocessor originally manufactured for distribution and sale in the United States.”</p>
Mississippi	NONE		
Missouri	An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">S.B. 554</a> (2023)	<p>“Product’, any product regardless of the date purchased.”</p> <p>Excludes motor vehicles.</p>
	An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 698</a> (2023)	<p>“Product’, any farm machinery, construction machinery, or forestry machinery, regardless of the date purchased, whose functioning depends, in whole or in part, on embedded or attached digital electronics.”</p>
	An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 217</a> (2022)	<p>“Product’, any product regardless of the date purchased.”</p> <p>Excludes motor vehicles.</p>
	An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 2402</a> (2022)	<p>“Product’, any farm machinery, construction machinery, or forestry machinery, regardless of the date purchased, whose functioning depends, in whole or in part, on embedded or attached digital electronics.”</p>

An Act to Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Rrepair Requirements	<a href="#">S.B. 1086</a> (2022)	“Product’, any farm machinery, construction machinery, or forestry machinery, regardless of the date purchased, whose functioning depends, in whole or in part, on embedded software or attached digital electronics.”
An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 2141</a> (2022)	“Product’, any product regardless of the date purchased. ‘Product’ shall exclude motor vehicles.”  Excludes motor vehicles.
An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 975</a> (2021)	“Product’, any farm machinery or construction machinery, regardless of the date purchased, whose functioning depends, in whole or in part, on embedded or attached digital electronics.”
An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 1118</a> (2021)	“Product’, any product regardless of the date purchased. ‘Product’ shall exclude motor vehicles.”  Excludes motor vehicles.
An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 2369</a> (2020)	“Product’, any farm machinery or construction machinery, regardless of the date purchased.”
An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 2541</a> (2020)	“Product’, any product regardless of the date purchased. ‘Product’ shall exclude motor vehicles.”  Excludes motor vehicles.
An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 2541</a> (2020)	“Product’, any product regardless of the date purchased. ‘Product’ shall exclude motor vehicles.”
An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 1079</a> (2019)	“Product’, any product regardless of the date purchased. ‘Product’ shall exclude motor vehicles.”  Excludes motor vehicles.
An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 1147</a> (2019)	“Product’, any product regardless of the date purchased. ‘Product’ shall exclude motor vehicles.”  Excludes motor vehicles.
An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 2254</a> (2018)	“Product’, any product regardless of the date purchased. ‘Product’ shall exclude motor vehicles.”  Excludes motor vehicles.
An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair	<a href="#">H.B. 2204</a> (2018)	“Product’, any product regardless of the date purchased. ‘Product’ shall exclude motor vehicles.”

	Requirements, with a Penalty Provision		Excludes motor vehicles.
	An Act To Amend Chapter 407, RSMo, by Adding thereto Two New Sections Relating to Product Repair Requirements, with a Penalty Provision	<a href="#">H.B. 1178</a> (2017)	<p>“Consumer product’, any article, or component part thereof, produced or distributed: (a) For sale to a consumer for use in or around a permanent or temporary household or residence or a school, in recreation, or otherwise; or (b) For the personal use, consumption, or enjoyment by a consumer in or around a permanent or temporary household or residence or a school, in recreation, or otherwise. . . .
