Clyde Wayne Crews, Jr., “Federal Government Waves Goodbye to ‘Economically Significant’ Regulations,” *OpenMarket* (blog), Competitive Enterprise Institute, December 11, 2023, <https://cei.org/blog/federal-government-waves-goodbye-to-economically-significant-regulations/>. Biden’s OMB described the change as follows:
- “*This term [economically significant] was used for regulatory actions reviewed between September 30, 1993, when EO 12866 was issued, and April 6, 2023, when the Modernizing EO was issued. The term referred to a regulatory action as determined under Section 3(f)(1) of EO 12866, that will have an annual effect on the economy of \$100 million or more or will adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities.*” *This description appeared in the OMB “advanced search” database landing page.*
84. For earlier prominent rules from the serious to the amusing, see the “Completed High-Significance Actions” section of earlier editions of *Ten Thousand Commandments*.
85. “The Regulatory Flexibility Act requires that agencies publish semiannual regulatory agen-

das in the *Federal Register* describing regulatory actions they are developing that may have a significant economic impact on a substantial number of small entities (5 U.S.C. § 602).” Regulatory Information Service Center, “Introduction to the *Unified Agenda of Federal Regulatory and Deregulatory Actions*,” *Federal Register*, Vol. 87, No. 151, August 8, 2022, pp. 48236–48240, <https://www.govinfo.gov/content/pkg/FR-2022-08-08/pdf/2022-14654.pdf>.
